Impact Resistance Property of Long-Fiber-Reinforced Thermoplastic

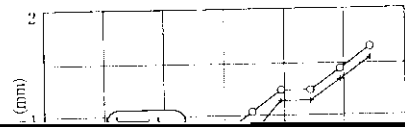

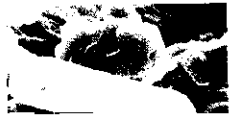

要旨

Table 1 Materials for impact and pseudo-static tensile tests (PP Verton MFX7008)

	Fiber length (mm)	Melt index of PP	Contents of compatibilizer	Remarks
1	0.79	Low <sup>1)</sup>	More <sup>2)</sup>	Plates molded by an injection machine
2	1.42	Low	More	

Short GF
